### **REASONS FOR ALLOWANCE**

1. Claims 61-76, renumbered as claims 1-16 are allowable over the prior art of record.
2. This communication warrants no Examiner's reason for allowance, as Applicants' reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104 (e). In this case, the substance of Applicants' remarks in the Amendment filed on 07 April 2006 with respect to the added claim limitations point out the reason claims are patentable over the prior art of record. Thus, the reason for allowance is in all probability evident from the record and no statement for Examiner's reason for allowance is necessary (see MPEP 13202.14).
3. Any comments considered necessary by Applicants must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any comments considered necessary by Applicants must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance OR Examiner's Amendment."
